Are masks required?

Will instructional delivery change if there is an increase in Covid cases?

# What should we expect as we start the new school year?

## **Transportation:**

## **Schedules:**

When will my class schedule be available?

How do I confirm my classes?

Who is my school counselor?

# Social Distancing

- Social Distancing will be in effect to the highest degree possible. We are striving for 3 ft. of distancing.
- Staff are encouraged to use large spaces/outside areas for classes when available.

## Cafeteria and Lunches:

- Students will eat lunch in the cafeteria, seated at tables.
- Lunches will have use of open and outdoor space when and where possible.

# Universal Masking

- All students and staff will wear face masks when indoors, regardless of vaccination status.
- During lunches, students will wear masks when not eating or drinking.

## Face Mask GUIDELINES

Setting	Fully Vaccinated Individuals	Not Fully Vaccinated Individuals
INSIDE FCPS Buildings and Buses	 Mask Required	 Mask Required
OUTSIDE FCPS Property	 No Mask Required	 Mask Recommended

- All classrooms are equipped with hand sanitizer and disinfectant.
- Students are encouraged to wash their hands frequently throughout the school day.

# Contact Tracing and Notification

- Families should conduct an individual health screening every day. If a student is not feeling well, we ask that they remain at home.
- In the event of a confirmed positive Covid case, that information is reported to the Fairfax County Health Department. All available contact information is provided and contact tracing begins. The Health Department makes specific outreach to close contacts.
- Notification is sent to the entire school community about the case.
- The Health Department dictates next steps and measures to address the case.
  - The positive case will quarantine until cleared by a health professional.
