Setting Up Your Virtual Space

- Find a quiet space where you can focus on your work.
- Work in an area that has natural light.
- Personalize your virtual space.
- Keep supplies within arm's reach.
- Maximize time management by using your agenda or google calendar to track class links and assignments.
- Keep a water bottle and snack within reach to avoid unnecessary trips away from class.
- Always make sure your computer is completely charged and a charger at your workstation.
